

Dear Parent/Guardian:

On Saturday, March 2, our school's Geocaching Club will be taking its next geocaching expedition and your child is invited to join us. We'll be traveling by school van to Northern NJ and we will be hiking for a series of a bunch of puzzle geocaches.

Geocaching can include some hiking on rocky or muddy terrain, which may have portions that will be somewhat strenuous. Participants should be dressed for the weather and the terrain. As we'll be out of the controlled confines of Delaware Valley High School, encounters with potentially dangerous wildlife are always possible. Wear good footwear for hiking and dress for the weather conditions!

**IMPORTANT:** Bring lots of drinking water (I'll be packing a backpack with water and food for myself), a bag lunch and hiking-friendly snacks, and money (about \$15) in case we need to stop for a meal on the way back.

We will **depart from the van parking area behind DVHS at 7:30am** and travel by school van. **We will return at around 7:00pm**; your child can call you via cell phone when we're on our way back with an exact time of arrival.

Mr. DeVizia

I give my permission for \_\_\_\_\_  
to participate in the Geocaching trip described above.
