

Dear Parent/Guardian:

On _____ the school's Geocaching Club will be holding another geocaching expedition and your child is invited to join us.

The event may include extensive hiking and problem-solving and may have portions that will possibly be over muddy or rocky trails. Participants should be dressed for the weather. Appropriate footwear and bottle of water is also highly recommended. Be aware that since we're outside the classroom, other possible hazards exist as with any outdoor woods/hiking activity, including but not limited to encounters with wildlife.

On school days, we'll return in time for the 6pm late bus. On weekends, we'll pick up and return to the van parking area behind the DVHS, across the parking lot from the 9/10 entrance; your child will call by cell phone well enough in advance of our arrival to let you know an exact time to expect us at the school.

We will leave the DVHS van parking area at: _____
and our estimated return time to the same parking area is _____

Mr. DeVizia
570-296-1875

I give my permission for _____
to participate in the Geocaching club expedition.

Phone where parent/guardian can be reached : _____

Signed: _____

Date: _____
