

Adopt-a-Highway Permission Slip

On Wednesday, May 30, the Scholastic Bowl team will be working to pick up trash along Route 6 & 209 as part of Delaware Valley High School's Adopt-a-Highway project, and your son/daughter is invited to join us.

We will meet at 3pm at the 9/10 office and we will be dropped off as one single group at or near the Adopt-a-Highway sign near Milford Music, and then walk back toward the school campus picking up trash along both sides of the highway. Participants will be provided with safety vests, work gloves, and bags. Safety will be held as first priority and nobody will be expected to pick up anything or anywhere that might be risky.

It's recommended that participants wear long pants and shoes that cover/protect the feet.

Students may take the 6pm late bus (or 4:20pm late bus if necessary) if they don't have a ride of their own.
